

"SO LONG AS YOU DO NOT TAKE
THE BROOM AND THE BUCKET
IN YOUR HAND, YOU CANNOT
MAKE YOUR TOWNS AND CITIES
CLEAN."

MAHATMA GANDHI

SWACHHATA AWARENESS MESSAGE

Cleanliness is important in our life as well as for the nation. It is well known that Mahatma Gandhi personally took effort to achieve the change that he wanted to see. Role of Engineers, Technocrats, technicians and Public servants is very important to create awareness on technologies that can be adopted to ensure a clean environment. In the present scenario the role of social media is important to create awareness among the people and inculcate a feeling of nationality among them. Cleanliness is not only the duty of 'Safai Karmchari' or the local government but it's the need of the hour that all the people actively participate to make the nation clean to fulfill the dream of Mahatma Gandhi for the protection of environment and protection of our future.
